CLASS ACTION

**LEAD PLAINTIFF'S: (1) NOTICE OF
UNOPPOSED MOTION FOR CLASS
DISTRIBUTION ORDER; AND (2)
MEMORANDUM OF LAW IN SUPPORT
THEREOF**

Hearing Date: September 21, 2023

Time: 1:30 p.m.

Location: Courtroom 5, 17th Floor

Judge: Hon. Edward M. Chen

NOTICE OF MOTION FOR CLASS DISTRIBUTION ORDER

TO ALL PARTIES AND THEIR RESPECTIVE COUNSEL OF RECORD:

PLEASE TAKE NOTICE that on September 21, 2023, at 1:30 p.m., in Courtroom 5 (17th Floor) of the United States District Court for the Northern District of California, 450 Golden Gate Avenue, San Francisco, CA 94102, or as soon thereafter as the matter may be heard, Lead Plaintiff Jonathan Davis will, and hereby does, move the Honorable Edward M. Chen, United States District Judge, for entry of the accompanying [Proposed] Class Distribution Order (the “Class Distribution Order”), which, among other things, will: (i) approve the Claims Administrator’s recommendations accepting and rejecting Claims submitted in the above-captioned action (the “Action”); (ii) direct the distribution of the Net Settlement Fund to Authorized Claimants whose Claims have been accepted as valid and approved by the Court; and (iii) approve the Claims Administrator’s fees and expenses incurred in connection with the Action.¹

This Motion is based on this Notice of Motion, the following Memorandum of Points and Authorities; the concurrently filed Declaration of Luiggy Segura on Behalf of JND Legal Administration (“JND” or “Claims Administrator”) in Support of Lead Plaintiff’s Unopposed Motion for Class Distribution Order, and the exhibits attached thereto; and the concurrently filed Declaration of F. Paul Bland, Jr. of the Public Justice Foundation.

Lead Counsel gave Defendants advance notice of this Motion, and counsel for Defendants authorized Lead Counsel to represent that Defendants do not oppose the proposed relief.

Because this Motion is unopposed, Lead Counsel respectfully submits that the Motion may be decided without a hearing.

¹ Unless otherwise defined herein, all capitalized terms have the meanings set forth in the Stipulation and Agreement of Settlement dated April 14, 2022 (ECF No. 189-1; the “Stipulation”), or the Declaration of Luiggy Segura in Support of Lead Plaintiff’s Unopposed Motion for Class Distribution Order (“Segura Decl.” or “Segura Declaration”), submitted on behalf of the Court-approved Claims Administrator, JND Legal Administration (“Claims Administrator”).

STATEMENT OF ISSUES TO BE DECIDED

1. Whether the Court should approve the administrative determinations of the Claims Administrator for acceptance and rejection of submitted Claims.

2. Whether the Court should approve the recommended plan for distribution of the Net Settlement Fund.

3. Whether the Court should authorize payment from the Settlement Fund to the Claims Administrator for the balance of fees and expenses incurred and to be incurred in connection with the Settlement administration process.

MEMORANDUM OF POINTS AND AUTHORITIES

I. PRELIMINARY STATEMENT

Court-appointed Lead Plaintiff and Class Representative Jonathan Davis (“Lead Plaintiff”), on behalf of himself and the Class, respectfully submits this memorandum in support of the Unopposed Motion for Class Distribution Order (the “Motion”). The proposed plan for distribution of the Net Settlement Fund is set forth in the accompanying Segura Declaration. *See* Segura Decl. ¶¶47(a)-(g).

II. BACKGROUND

On April 14, 2022, the Parties entered into the Stipulation, the terms of which established a \$22,250,000 Settlement Fund on behalf of the Class, consisting of all Persons and entities who or which purchased or otherwise acquired publicly traded Yelp, Inc. (“Yelp”) common stock between February 10, 2017, through May 9, 2017, inclusive, and were damaged thereby.

The Court granted preliminary approval of the Settlement on July 25, 2022. ECF No. 200. The Court entered an Amended Order Preliminarily Approving Settlement on August 1, 2022 (together the “Preliminary Approval Orders”). ECF No. 201. Pursuant to the Preliminary Approval Orders, the Claims Administrator disseminated almost 45,000 Notice Packets to potential Settlement Class Members, brokers and other nominees, published the Summary Notice in *Investor’s Business Daily*, transmitted the Summary Notice over *PR Newswire* (a national newswire service), established a case-specific website dedicated to this Settlement (<https://www.yelpsecuritieslitigation.com>; the “Settlement Website”), and set up a toll-free helpline. *See* Segura Decl., ¶¶3, 5-7. The Settlement Website and helpline enabled Settlement Class Members to obtain information about the Settlement, including deadlines for opting back into the class, objecting, and filing Claims. The Settlement Website provided access to important documents relevant to the Settlement, including, among other things, the Stipulation, Notice, and Claim Form. *See Id.*, at ¶3; *see also* Settlement Website.

On January 27, 2023, the Court entered the Order Granting Final Approval of Class Action Settlement Agreement, and Granting Attorney’s Fees and Litigation Expenses (“Final Approval Order”), finding, *inter alia*, the Settlement fair, reasonable, and adequate. ECF No. 210. The

1 Final Approval Order also approved the Plan of Allocation, which was explained in the Notice
 2 posted on the Settlement Website, as providing a fair and equitable basis upon which to allocate
 3 the proceeds of the Net Settlement Fund. *Id.*

4 Lead Plaintiff now requests that the Court authorize the distribution of the Net Settlement
 5 Fund (after payment of the Claims Administrator's expenses as discussed below, and payment of,
 6 or reserve for, taxes, tax preparation fees and escrow fees) to Authorized Claimants.

7 **III. CLAIMS ADMINISTRATION**

8 Pursuant to the Court-approved Notice, all Settlement Class Members wishing to
 9 participate in the Settlement were required to submit Claim Forms by mail or online, postmarked
 10 by, or received, no later than December 27, 2022. *See* ECF No. 201, p. 17. The Claims
 11 Administrator received and reviewed all submitted Claims and, to the extent that a Claim was
 12 deficient, the Claims Administrator notified the Claimant of the deficiency and advised the
 13 Claimant as to possible ways to cure the deficiency. *See* Segura Decl., ¶¶3, 23-33.

14 Of the 7,517 Claims submitted to and fully processed by the Claims Administrator, 121
 15 were paper submissions, and 162 were online submissions through the online filing portal on the
 16 Settlement Website. *Id.*, ¶11. The remaining 7,234 Claims were Electronic Claims filed by E-
 17 Claim Filers, who are typically banks, brokers, nominees, and other third-party filers that file
 18 Claims on behalf of numerous Claimants. *Id.*, ¶15. Because E-Claim Filers submit a high volume
 19 of Claims on behalf of multiple Claimants, the Claims Administrator provides E-Claim Filers with
 20 the opportunity to submit a master claim form and mail a computer disc or submit an electronic
 21 file containing all the transactions of the Claimants on whose behalf the E-Claim Filer is
 22 submitting a Claim—rather than providing reams of paper requiring manual data entry. *Id.* This
 23 process is designed to expedite the claims process.

24 If a paper or online Claim was deficient or defective, the Claims Administrator sent a letter
 25 to the Claimant, a sample of which is attached as Exhibit A to the Segura Declaration. *Id.*, ¶24 &
 26 Ex. A. The letter advised the Claimant that he, she, or it had twenty (20) days from the date of the
 27 letter to submit additional information and/or documentary evidence to cure the Claim, otherwise
 28 the Claims Administrator would recommend the Claim for rejection. *Id.* Of the 283 paper and

1 online Claims, the Claims Administrator sent deficiency letters for 114 Claims (or approximately
2 40%). *Id.*, ¶¶23-25.

3 If an Electronic Claim was deficient or defective, the Claims Administrator sent an email
4 to the E-Claim Filer (“Deficiency Email”), with an attached spreadsheet containing detailed
5 information associated with the Claims and indicating which of those Claims within the filing
6 were deficient, and/or rejected (“Deficiency Spreadsheet”). Attached as Exhibit B to the Segura
7 Declaration are examples of the Deficiency Email and Deficiency Spreadsheet. *See Id.*, ¶¶26-29
8 & Ex. B. Of the 7,234 Electronic Claims, 3,190 (or approximately 44%) were incomplete or
9 deficient and were filed by a total of 28 E-Claim filers. *Id.*, ¶26.

10 The Claims Administrator worked diligently with Claimants to resolve deficiencies where
11 possible. *Id.*, ¶¶23-33. Ultimately, as detailed in the Segura Declaration, after the deficiency
12 process was complete, the Claims Administrator determined that 4,291 Claims are acceptable and
13 should receive a distribution. This number includes 4,272 timely and valid claims, and 19 Late
14 But Otherwise Eligible Claims (addressed in Section IV below). *Id.*, ¶¶42-43 & Exs. C, D. These
15 Claims represent a total Recognized Loss amount of \$86,431,693.90.² *Id.*, ¶¶42-43; Exs. C, D.
16 The Claims Administrator also determined that 3,226 Claims are not eligible and should be
17 rejected for the following reasons: (i) 2,008 Claims did not fit the definition of the Class; (ii) 771
18 Claims did not result in a Recognized Claim under the Plan of Allocation; (iii) 430 Claims had
19 uncured conditions of ineligibility; (iv) 12 Claims were duplicates or replaced; and (v) 5 Claims
20 were withdrawn by the filer. *Id.*, ¶¶44-45 and Ex. E.

21 **IV. LATE BUT OTHERWISE ELIGIBLE CLAIMS**

22 The Claims Administrator continued to receive Claims after the December 27, 2022,
23 claims filing deadline. Although the Claims Administrator attempted to accept all eligible Claims
24 submitted after the deadline, there must be a final cut-off date after which no more Claims may be
25 accepted so that a proportional distribution of the Net Settlement Fund may take place. *See In re*

26
27 ² The Recognized Loss amount is \$74,896,439.02 for timely and valid Claims, and
28 \$11,535,254.88 for Late But Otherwise Eligible Claims. *Id.*, ¶¶42-43.

1 *Gypsum Antitrust Cases*, 565 F.2d 1123, 1127 (9th Cir. 1977) (“There is no question that in the
 2 distribution of a large class settlement fund, ‘a cutoff date is essential and at some point the matter
 3 must be terminated.’”) (citation omitted); *In re Orthopedic Bone Screw Prods. Liab. Litig.*, 246
 4 F.3d 315, 329 (3d Cir. 2001). Acceptance of additional Claims received during the finalization of
 5 the administration process and the preparation of this Motion would necessarily require a delay in
 6 the distribution. Accordingly, the Claims Administrator imposed a cut-off date of June 20,
 7 2023—approximately 6 months after the Court-imposed deadline. Segura Decl., ¶¶35-36.

8 Of the 7,517 Claims submitted, 41 were received or postmarked after the December 27,
 9 2022 deadline, but before the Claim’s Administrator’s imposed cut-off date of June 20, 2023. *Id.*,
 10 ¶43. Of these 41 Claims, 19 are otherwise eligible (“Late But Otherwise Eligible Claims”). *Id.*
 11 These 19 Late But Otherwise Eligible Claims have been recommended for payment. *Id.* Lead
 12 Counsel and the Claims Administrator believe that when the equities are balanced, it would be
 13 unfair to prevent an otherwise valid Claim from participating in the distribution of the Net
 14 Settlement Fund solely because it was submitted after the deadline to submit Proofs of Claim, but
 15 while the Claims were still being processed. *See In re Gypsum*, 565 F.2d at 1128 (district court
 16 has discretion to grant late claims); *In re Toyota Motor Corp. Sec. Litig.*, No. CV 10-922 DSF
 17 (AJWx), 2014 WL 12586787, at *1 (C.D. Cal. Aug. 4, 2014) (accepting “Late but Otherwise
 18 Eligible Claims”); *see also In re “Agent Orange” Prod. Liab. Litig.*, 689 F. Supp. 1250, 1261-63
 19 (E.D.N.Y. 1988) (court permitting the qualifying late claimants and opt-out claimants to
 20 participate in the settlement distribution because “[t]he cost to the fund of admitting late claimants
 21 and readmitting the opt-out claimants to the class action should be relatively small. No significant
 22 administrative costs need be incurred to allow the late claims and opt-out claims”). Accordingly,
 23 it is respectfully requested that this Court approve Lead Counsel’s recommendation and permit the
 24 Claims Administrator to include the Late But Otherwise Eligible Claims in the Distribution Plan.
 25 *See Segura Decl.*, ¶43 & Ex. D.

26 Additionally, it is respectfully requested that the Court enter an Order directing that no
 27 Claims or responses to deficiency letters received after June 20, 2023 be included in the
 28 distribution, unless the Court later orders otherwise. *See Segura Decl.*, ¶47(f). “Drawing a line is

essential to achieve certainty and finality in such a large class action.” *Hartman v. Powell*, No. 00-5356, 2001 WL 410461, at *1 (D.C. Cir. Mar. 15, 2001); *see also In re Citigroup Inc. Sec. Litig.*, No. 09-MD-2070 (SHS), 2014 WL 7399039, at *4 (S.D.N.Y. Dec. 29, 2014) (quoting *In re Gypsum*, 565 F.2d at 1127).

V. DISTRIBUTION OF NET SETTLEMENT FUND

Consistent with the terms of the Plan of Allocation and with the Court’s approval, the Claims Administrator will conduct an Initial Distribution of the Net Settlement Fund to all Claimants on a *pro rata* basis whose distribution payments calculates to \$10.00 or more. *See Segura Decl.*, ¶47(a). Based on the substantial experience of Lead Counsel in similar distributions, it can be expected that a certain number of the payments to be distributed to Settlement Class Members who filed valid Claims will not be cashed, deposited, or negotiated promptly. To encourage Authorized Claimants to promptly cash, deposit, or negotiate their distributions and to avoid or reduce future expenses relating to unpaid distributions, Lead Counsel propose that all the distribution checks bear a notation “CASH PROMPTLY. VOID AND SUBJECT TO REDISTRIBUTION IF NOT CASHED BY 90 DAYS AFTER ISSUE DATE.” *Id.*, ¶47(b).

The Claims Administrator will make reasonable and diligent efforts to encourage Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund to cash their distribution. *Id.*, ¶47(d) and n.2. However, if after nine months any funds remain in the Net Settlement Fund, by reason of uncashed checks or otherwise, the Claims Administrator will conduct a second distribution (the “Second Distribution”) if Lead Counsel, in consultation with the Claims Administrator, determines that it is cost-effective to do so. *Id.*, ¶47(c)-(d). During the Second Distribution, any amounts remaining in the Net Settlement Fund after the Initial Distribution, after payment of Notice and Administration Expenses (including the estimated costs of such Second Distribution), Taxes, and any escrow fees, will be redistributed to all Authorized Claimants in the Initial Distribution who cashed their distribution checks and would receive at least \$10.00 from the Second Distribution. *Id.*, ¶47(d). Following the Second Distribution, additional redistributions will occur following the same process of the Second

1 Distribution until no funds remain in the Net Settlement Fund or until Lead Counsel, in
 2 consultation with the Claims Administrator, determines that additional distributions are no longer
 3 economically feasible. *Id.*, ¶47(d).

4 Finally, if any funds remain in the Net Settlement Fund after payment of any further
 5 Notice and Administration Costs and Taxes, the remaining balance shall be contributed to Public
 6 Justice, a non-sectarian, not-for-profit organization dedicated to, among other things, investor
 7 education and advocacy. *Id.*, ¶47(e); *see also* Declaration of F. Paul Bland, Jr. of the Public Justice
 8 Foundation. The proposed Class Distribution Order filed concurrently herewith confirms the
 9 Settlement's provisions for such redistribution of any residue of the Net Settlement Fund.

10 **VI. RELEASE OF CLAIMS**

11 It is also respectfully requested that the Court release and discharge all persons involved in
 12 the review, verification, calculation, tabulation, or any other aspect of the processing of the Claims
 13 submitted herein, or otherwise involved in the administration or taxation of the Settlement Fund or
 14 the Net Settlement Fund from any and all claims arising out of such involvement, and bar all
 15 Settlement Class Members, whether or not they receive payment from the Net Settlement Fund,
 16 from making any further claims against (a) the Net Settlement Fund, Lead Plaintiff or his counsel,
 17 the Claims Administrator, the Escrow Agent or any other agent retained by Lead Plaintiff or Lead
 18 Counsel in connection with the administration or taxation of the Settlement Fund or the Net
 19 Settlement Fund, or (b) Defendants or Defendants' Counsel, beyond the amounts allocated to them
 20 pursuant to the terms of the Class Distribution Order, provided that such released persons acted in
 21 accordance with the Stipulation, the Judgment, and the Class Distribution Order. *See In re*
 22 *Nuvelo, Inc. Sec. Litig.*, 2012 WL 12920613, at *2 (N.D. Cal. July 16, 2012); *In re Toyota Motor*
 23 *Corp. Sec. Litig.*, 2014 WL 12586787, at *3 (C.D. Cal. Aug. 4, 2014); *In re Medicis Pharm. Corp.*
 24 *Sec. Litig.*, 2013 WL 12149720, at *2 (D. Ariz. Mar. 8, 2013).

25 **VII. THE COURT SHOULD APPROVE PAYMENT OF ADMINISTRATION 26 RELATED FEES AND EXPENSES**

27 Based on the work performed by the Claims Administrator, the total fees and expenses
 28 charged by the Claims Administrator in this matter through May of 2023 are \$251,105.42. *See*

1 Segura Decl., ¶46 & Ex. F (JND invoices through May 2023). In addition, the brokerage firms
 2 and nominees charged JND \$14,704.16 for their work related to this matter. *See Id.* To date, JND
 3 has been paid and/or reimbursed \$150,163.87. *Id.*, ¶46. The estimate to conduct the Initial
 4 Distribution is \$21,424.82. *Id.* Therefore, Lead Counsel respectfully requests that the Court
 5 authorize payment to the Claims Administrator from the Settlement Fund of \$140,671.78
 6 consisting of: (a) \$115,645.71 reimbursement for fees and expenses incurred but not yet paid
 7 through May 2023; (b) \$21,424.82 in anticipation of the work that will be performed for the Initial
 8 Distribution; and (c) \$3,601.25 for the work performed in June 2023 that has not been invoiced
 9 yet.³ *Id.*

10 **VIII. RECORDS RETENTION AND DESTRUCTION**

11 Lead Plaintiff respectfully requests that the Court order that: (a) in no less than one (1) year
 12 after the Second Distribution of the Net Settlement Fund, if that occurs, or, if there is no Second
 13 Distribution, two years after the Initial Distribution, the Claims Administrator may destroy the
 14 paper copies of the Claims and all supporting documentation; and (b) in no less than one (1) year
 15 after all funds have been distributed, the Claims Administrator may destroy the electronic copies
 16 of the Claims and all supporting documentation. *Id.*, ¶47(g).

17 **IX. CONCLUSION**

18 For the above reasons, Lead Plaintiff respectfully requests that the Motion be granted.

CLASS ACTION

**[PROPOSED] CLASS DISTRIBUTION
ORDER**

Hearing Date: September 21, 2023

Time: 1:30 p.m.

Location: Courtroom 5, 17th Floor

Judge: Hon. Edward M. Chen

1 Having considered all materials and arguments submitted in support of Lead Plaintiff's
2 Unopposed Motion for Class Distribution Order (the "Motion"), including the Memorandum of
3 Law in Support of the Motion, the Declaration of Luiggy Segura on Behalf of JND Legal
4 Administration in Support of Lead Plaintiff's Motion for Distribution of Class Action Settlement
5 Fund (the "Segura Declaration"), and the Declaration of F. Paul Bland, Jr. of the Public Justice
6 Foundation,
7

8 NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

9 1. This Class Distribution Order incorporates by reference the definitions in the
10 Stipulation and Agreement of Settlement (ECF. No. 189-1) (the "Stipulation"). All terms not
11 otherwise defined shall have the same meaning as set forth in the Stipulation or the Segura
12 Declaration.

13 2. This Court has jurisdiction over the subject matter of the Action and over all parties
14 to the Action, including all Settlement Class Members.

15 3. As set forth in the Segura Declaration, the administrative determinations of the
16 Claims Administrator in accepting and rejecting Claims are approved. Specifically, the
17 administrative determinations of the Claims Administrator accepting those Claims set forth in
18 Exhibits C and D of the Segura Declaration are approved. Likewise, the administrative
19 determinations of the Claims Administrator rejecting those Claims set forth in Exhibit E of the
20 Segura Declaration are approved.

21 4. As set forth in the Segura Declaration, no new Claims or responses to deficiency
22 letters received after June 20, 2023 may be included in the distribution.

23 5. The Court authorizes payment of \$140,671.78 from the Settlement Fund to the
24 Claims Administrator for the fees and expenses already incurred and to be incurred in connection
25 with the Initial Distribution, as described in the Segura Declaration.

26 6. The distribution plan for the Net Settlement Fund as set forth in the Segura
27 Declaration and accompanying exhibits is approved. The balance of the Net Settlement Fund,
28 after deducting the fees and expenses discussed in paragraph 5, shall be distributed to Authorized

1 Claimants. To encourage Authorized Claimants to promptly deposit their payments, all
2 distribution checks will bear a notation: "CASH PROMPTLY. VOID AND SUBJECT TO
3 REDISTRIBUTION IF NOT CASHED BY 90 DAYS AFTER ISSUE DATE." Authorized
4 Claimants who fail to cash, deposit, or negotiate a distribution check within the time allotted or
5 consistent with the terms outlined in Paragraph 47(c) of the Segura Declaration will irrevocably
6 forfeit all recovery from the Settlement.

7 7. After the Initial Distribution of the Net Settlement Fund, the Claims Administrator
8 shall make reasonable and diligent efforts to have Authorized Claimants cash, deposit, or negotiate
9 their distribution checks. To the extent any monies remain in the fund nine (9) months after the
10 Initial Distribution, if Lead Counsel, in consultation with the Claims Administrator, determines
11 that it is cost-effective to do so, the Claims Administrator shall conduct a redistribution of the
12 funds remaining after payment of, or reserve for, any unpaid fees and expenses incurred in
13 administering the Settlement, including for such redistribution, to Authorized Claimants who have
14 cashed their Initial Distribution checks and who would receive at least \$10.00 from such
15 redistribution. Additional redistributions to Authorized Claimants who have cashed, deposited, or
16 negotiated their prior checks and who would receive at least \$10.00 on such additional
17 redistributions may occur thereafter if Lead Counsel, in consultation with the Claims
18 Administrator, determines that additional redistributions, after the deduction of any additional fees
19 and expenses incurred in administering the Settlement, including for such redistributions, would
20 be cost-effective.

21 8. At such time as Lead Counsel, in consultation with the Claims Administrator,
22 determine that no additional distributions are cost-effective, then the remaining funds will be
23 donated to the Public Justice Foundation, a non-sectarian, not-for-profit 501(c)(3) organization.

24 9. All persons involved in the review, verification, calculation, tabulation, or any
25 other aspect of the processing of Claims submitted herein, or otherwise involved in the
26 administration or taxation of the Settlement Fund or the Net Settlement Fund, are released and
27 discharged from any and all claims arising out of such involvement, and all Settlement Class
28 Members, whether or not they are to receive payment from the Net Settlement Fund, are barred

1 from making any further claim against (a) the Net Settlement Fund, Lead Plaintiff or his counsel,
2 the Claims Administrator, the Escrow Agent, or any other agent retained by Lead Plaintiff or Lead
3 Counsel in connection with the administration or taxation of the Settlement Fund or the Net
4 Settlement Fund, or (b) Defendants or Defendants' Counsel, beyond the amounts allocated to them
5 pursuant to this Order; provided that such released persons acted in accordance with the
6 Stipulation, the Judgment, and this Order.

7 10. The Claims Administrator is authorized to discard: (a) paper or hard copies of the
8 Claim Forms and supporting documents one year after the Initial Distribution or one year after the
9 Second Distribution (if it occurs); and (b) electronic or magnetic media data not less than one year
10 after the final distribution of the Net Settlement Fund to Authorized Claimants.

**UNITED STATES DISTRICT COURT

JONATHAN DAVIS, Individually and On
Behalf of All Others Similarly Situated,

Case No. 3:18-cv-00400 EMC

Plaintiff,

v.

YELP INC, JERMEY STOPPELMAN,
LANNY BAKER, and JED NACHMAN,

Defendants.

**DECLARATION OF LUIGGY SEGURA IN SUPPORT OF LEADPLAINTIFF'S
MOTION FOR CLASS DISTRIBUTION ORDER**

I, LUIGGY SEGURA, declare and state as follows:

1. I am a Vice President at JND Legal Administration ("JND").¹ I am over 21 years of age and I am not a party to the above-captioned action (the "Action"). I have personal knowledge of the facts set forth in this declaration and, if called as a witness, could and would testify competently thereto.

2. Pursuant to the Court's Order Preliminarily Approving Settlement and Providing for Notice, entered on July 25, 2022 (ECF 200), and the Amended Order Preliminarily Approving Settlement and Providing for Notice, entered on August 1, 2022 (ECF No. 201) (together, the "Preliminary Approval Orders"), JND was appointed as the Claims Administrator in connection with the Action. On January 27, 2023, the Court entered: (a) the Order Granting Final Approval of Class Action Settlement Agreement and Granting Attorney's Fees and Litigation Expenses (ECF No. 210, the "Final Approval Order"), which granted final approval of the Settlement reached in the Action and approved the Plan of Allocation; and (b) the Judgment. ECF No. 211. Pursuant to the Settlement, \$22,250,000 in cash was deposited into escrow for the benefit of the Class. The Effective Date of the

¹ All terms with initial capitalization not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement dated April 14, 2022 (the "Stipulation"), previously filed with the Court (ECF No. 189-1). The Settlement is contained in the Stipulation.

1 Settlement has occurred, Class Members' claims have been processed, and the Net Settlement Fund
2 may be distributed to Authorized Claimants pursuant to Order of this Court. *See* Stipulation, ¶27.

3 3. As Claims Administrator, JND has, among other things: (a) mailed the Notice of (I)
4 Proposed Settlement and Plan of Allocation; (II) Settlement Hearing; and (III) Motion for an Award
5 of Attorneys' Fees and Reimbursement of Litigation Expenses (the "Notice") and the Proof of Claim
6 Form and Release (the "Claim Form," and together with the Notice, the "Notice Packet") to potential
7 Class Members and brokers and other nominees; (b) created and continues to maintain a toll-free
8 helpline for inquiries during the course of the administration; (c) designed, implemented, and launched
9 the Settlement Website (www.YelpSecuritiesLitigation.com) which became operational on or about
10 June 25, 2020, and includes the claim-filing deadline and downloadable versions of the Stipulation,
11 Preliminary Approval Order, Notice, Claim Form, Final Approval Order and Judgment; (d) published
12 the Summary Notice; (e) provided, upon request, additional copies of the Notice Packet to potential
13 Class Members, brokers, and other nominees; (f) received and processed Claim Forms submitted in
14 connection with the Settlement; (g) reviewed submitted Claim Forms for accuracy and completeness
15 and to ensure that they were supported by sufficient documentary evidence; (h) provided notice to
16 Claimants whose Claims were deficient or rejected; (i) worked with Claimants to help cure deficient
17 Claims; and (j) calculated Claimants' recognized loss ("Recognized Claim"), pursuant to the Court-
18 approved Plan of Allocation set forth in the Notice.

19 4. JND has completed processing all Claim Forms ("Claims") received through June 20,
20 2023, in accordance with the terms of the Stipulation and the Court-approved Plan of Allocation, and
21 hereby submits its administrative determinations accepting and rejecting the Claims in preparation for
22 a distribution of the Net Settlement Fund to Authorized Claimants. JND also presents this declaration
23 in support of Lead Plaintiff's Motion for Class Distribution Order.

24 **DISSEMINATION OF NOTICE**

25 5. As more fully described in the Declaration of Luiggy Segura Regarding: (A) Mailing
26 of the Notice Packet; (B) Publication of Summary Notice; and (C) Report on Requests for Opting
27 back into the class received to date, dated December 15, 2022 (ECF No. 204-2, the "Initial Mailing
28 Decl") and the Supplemental Declaration of Luiggy Segura Regarding: (A) Mailing of the Notice

1 Packet; (B) Report on Requests for Opting back into the Class Received to Date; and (C) Report on
 2 Claims Received to Date, dated January 5, 2023 (ECF No. 206-1, the “Suppl. Mailing Decl.”), as of
 3 January 3, 2023 JND had mailed 44,942 Notice Packets to potential Class Members and their
 4 nominees. Suppl. Mailing Decl. ¶2; *see also* Initial Mailing Decl. ¶14.

5 6. JND established and continues to maintain the Settlement Website dedicated to this
 6 Action, and a toll-free telephone helpline (1-888-964-0696) to assist potential Class Members. The
 7 Settlement Website (which provides access to important documents relevant to the Settlement) and
 8 the telephone helpline enable Class Members to obtain information about the Settlement. In
 9 connection with establishing and maintaining the Settlement Website and toll-free telephone hotline,
 10 JND, among other things, formulated a system to ensure that proper responses were provided to all
 11 telephonic and electronic inquiries. That work included training telephone agents to respond to
 12 inquiries specific to the Settlement; developing a series of common questions and the answers thereto,
 13 known as Frequently Asked Questions, or “FAQs”; loading key documents onto the Settlement
 14 Website; and programming the Settlement Website to permit the viewing and downloading of those
 15 documents.

16 7. In accordance with paragraph 4(d) of the Amended Preliminary Approval Order, on
 17 September 12, 2022, JND caused the Summary Notice to be released via *PR Newswire* and published
 18 in *Investor’s Business Daily*. Initial Mailing Decl. ¶ 15.

19 **PROCEDURES FOLLOWED IN PROCESSING CLAIMS**

20 8. Under the terms of the Preliminary Approval Order and as set forth in the Notice, each
 21 Class Member who wished to be eligible to receive a distribution from the Net Settlement Fund was
 22 required to complete and submit to JND a properly executed Claim Form postmarked or submitted
 23 online no later than December 27, 2022, together with adequate supporting documentation for the
 24 transactions and holdings reported in the Claim Form. Through June 20, 2023, JND has received and
 25 fully processed 7,517 Claims (the “Presented Claims”).

26 9. In preparation for receiving and processing Claims, JND: (a) conferred with Lead
 27 Counsel to define the guidelines for processing Claims; (b) created a unique database to store Claim
 28 details, images of Claims, and supporting documentation (the “Settlement Database”); (c) trained staff

1 in the specifics of the Settlement so that Claims would be properly processed; (d) formulated a system
 2 so that telephone and email inquiries would be properly responded to; (e) developed various computer
 3 programs and screens for entry of Class Members' identifying information and their transactional
 4 information; and (f) developed a proprietary "calculation module" that would calculate Recognized
 5 Claims pursuant to the Court-approved Plan of Allocation.

6 10. Class Members seeking to share in the Net Settlement Fund were directed in the Notice
 7 to submit their Claims online or to a post office box address specifically designated for the Settlement.
 8 Notice Packets returned by the United States Postal Service as undeliverable were reviewed for
 9 updated addresses and, where available, updated addresses were entered into the database and Notice
 10 Packets were mailed to the updated addresses. Any correspondence received at the post office box
 11 was reviewed and, when necessary, appropriate responses were provided to the senders.

12 **PROCESSING CLAIMS**

13 *Paper Claims*

14 11. Of the 7,517 Presented Claims, 121 are paper Claims and 162 are "online" Claims filed
 15 through the online filing portal of the Settlement Website. Once received, the paper Claims were
 16 opened and prepared for scanning. This process included unfolding documents, removing staples,
 17 copying nonconforming-sized documents, and sorting documents. This manual task of preparing the
 18 paper Claims is extremely laborious and time-intensive. Once prepared, paper Claims were scanned
 19 into the Settlement Database together with all submitted documentation.

20 12. Each Claim was assigned a unique Claim number. Once scanned, the information
 21 from each Claim (including the Claimant's name, address, account number/information from his, her,
 22 or its supporting documentation, and the Claimant's purchase/acquisition transactions, sale
 23 transactions, and holdings listed on the Claim) was entered into the Settlement Database. Once entered
 24 into the Settlement Database, Claims were reviewed to verify that all required information had been
 25 provided. The documentation provided by the Claimant in support of his, her, or its Claim was
 26 reviewed for authenticity and compared to the information provided in the Claim to verify the
 27 Claimant's identity and the purchase/acquisition transactions, sale transactions, and holdings listed on
 28 the Claim.

1 13. To process the transactions detailed in the Claims, JND utilized internal messages to
 2 identify and classify deficiency or ineligibility conditions existing within those Claims. Appropriate
 3 messages were assigned to the Claims as they were processed. For example, where a Claim was
 4 submitted by a Claimant who did not have any eligible transactions in Yelp common stock during the
 5 Class Period, that Claim would receive a “Claim-level” message that denoted ineligibility. Similar
 6 Claim-level ineligible messages were used to denote other ineligible conditions, such as duplicate
 7 Claims. These messages would indicate to JND that the Claimant was not eligible to receive any
 8 payment from the Net Settlement Fund with respect to that Claim unless the deficiency was cured in
 9 its entirety. Examples of Claim-level messages are as follows:

- 10 • Inadequate Documentation Submitted for Entire Claim;
- 11 • No Supporting Documentation Submitted for Entire Claim; and
- 12 • No Purchase Transaction in the Class Period.

13 14. Because a Claim may be deficient only in part, but otherwise acceptable, JND utilized
 14 messages that were applied only to specific transactions within a Claim. For example, if a Claimant
 15 submitted a Claim with supporting documentation for all but one purchase transaction, that one
 16 transaction would receive a “transaction-level” message. The message indicated that although the
 17 transaction was deficient, the Claim was otherwise eligible for payment if other transactions in the
 18 Claim calculated to a Recognized Claim according to the Court-approved Plan of Allocation. Thus,
 19 even if the transaction-level deficiency was never cured, the Claim could still be partially accepted.
 20 Examples of transaction-level messages are as follows:

- 21 • No Supporting Documentation for Specific Transaction/Position;
- 22 • Inadequate Documentation for Specific Transaction/Position; and
- 23 • Illegible Documentation for Specific Transaction/Position.

24 ***Electronic Claims***

25 15. Of the 7,517 Presented Claims, 7,234 were filed electronically (“Electronic Claims”
 26 or “E-Claims”). Electronic Claims filers (“Electronic Claim Filers” or “E-Claim Filers”) are typically
 27 banks, brokers, nominees and other-third party filers, who file claims on behalf of numerous claimants.
 28 Because E-Claim Filers typically submit a high volume (hundreds or thousands) of transactions during

1 the Class Period on behalf of the beneficial owners, JND provides E-Claim Filers with the opportunity
2 to mail a computer disc or electronically submit a file containing all the transactions—rather than
3 provide reams of paper requiring data entry—so that JND can upload all transactions to the Settlement
4 Database.

5 16. JND maintains an electronic filing operations team (the “Electronic Filing Team”) to
6 coordinate and supervise the receipt and handling of all Electronic Claims. In this case, the Electronic
7 Filing Team reviewed and analyzed each electronic file to ensure that it was formatted in accordance
8 with JND’s required format and to identify any potential data issues or inconsistencies within the file.
9 If any issues or inconsistencies arose, JND notified the E-Claim Filer. If the electronic file was
10 deemed to be in an acceptable format, it was then loaded to the Settlement Database.

11 17. Once each electronic file was loaded, the Electronic Claims were coded with messages
12 to denote any deficient or ineligible conditions that existed within them. These messages are similar
13 to those applied to paper Claims. In lieu of manually applying messages, the Electronic Filing Team
14 performed programmatic reviews on Electronic Claims to identify deficient and ineligible conditions
15 (such as, but not limited to, price out-of-range issues, out-of-balance conditions, transactions outside
16 the Class Period, *etc.*). The output was thoroughly verified and confirmed as accurate.

17 18. The review process also included message coding any Electronic Claims that were not
18 accompanied by a signed Claim Form, which serves as a “Master Proof of Claim Form” for all Claims
19 referenced on the electronic file submitted. This process was reviewed by JND’s Electronic Filing
20 Team and, when appropriate, JND contacted the E-Claim Filers whose submissions were missing
21 information. This ensured that only fully completed Claims, submitted by properly authorized
22 representatives of the Claimants, were considered eligible for payment from the Net Settlement Fund.

23 19. Finally, at the end of the process, JND performed various targeted reviews of
24 Electronic Claims. Specifically, JND used criteria such as the Recognized Loss Amounts and other
25 identified criteria to message code and reach out to a number of E-Claim Filers and request that various
26 sample purchases, sales, and holdings selected by JND be documented by providing confirmation slips
27 or other transaction-specific supporting documentation. These targeted reviews helped to ensure that
28 electronic data supplied by Claimants did not contain inaccurate information.

1 ***Additional Complexities Encountered in Processing Claims***

2 20. JND received a total of 7,517 Claims. Approximately 3,304, or about 43.9 %, of the
3 7,517 Claims received through June 20, 2023 were partially or wholly ineligible for one or more
4 reasons, and, therefore, were subjected to the additional processing, correspondence and telephonic
5 communications described in the section below entitled “The Deficiency Process.” Notwithstanding
6 the large number of deficient Claim Forms received, no Claimants contested JND’s administrative
7 rejection of their Claim Forms.

8 21. During the processing of Claim Forms, JND encountered “non-conforming” Claim
9 Forms, which, in general, require significantly more work than standard Claim Forms because of the
10 information contained in or missing from the Claim Form, or because of the manner in which the
11 Claim Form was completed. Non-conforming Claims include, among other conditions, missing
12 pages, no name or address, Claim Forms that are blank, but submitted with documentation for JND to
13 complete, and Claim Forms that are so materially deficient as to make what is being claimed
14 unrecognizable. A significant amount of time and resources was required to hand review those
15 Claims.

16 **EXCLUDED PERSONS**

17 22. JND also reviewed all Claims to ensure that they were not submitted by, or on behalf
18 of, “Excluded Persons,” to the extent that the identities of such persons or entities were known to JND
19 through the list of Defendants and other excluded persons and entities set forth in the Stipulation and
20 the Notice and from the Claimants’ certifications on the Claim Forms. JND also reviewed all Claims
21 against the list of persons who were excluded from the Class pursuant to request.

22 **THE DEFICIENCY PROCESS**

23 ***Paper Claim and Online Claims***

24 23. Approximately 40.3% of the paper and Online Claims (*i.e.*, 114 of the 283 paper and
25 online Claims) were incomplete or had one or more defects or conditions of ineligibility, such as the
26 Claim not being signed, not being properly documented, or indicating no eligible transactions in Yelp
27 common stock during the Class Period. The “Deficiency Process,” which primarily involved mailing
28 letters to Claimants and responding to communications from Claimants by email and/or telephone,

1 was intended to assist Claimants in properly completing their otherwise deficient submissions so that
2 they could be eligible to participate in the Settlement.

3 24. If paper or online Claims were determined to be defective, a Notice of
4 Deficient/Ineligible Claim Submission (“Deficiency Notice”) was sent to the Claimants describing the
5 defect(s) in the Claims and what, if anything, was necessary to cure the defect(s) in these Claims. The
6 Deficiency Notice advised Claimants that submission of appropriate information and/or documentary
7 evidence to complete the Claim had to be sent within twenty (20) days from the date of the Deficiency
8 Notice, or the Claim would be recommended for rejection to the extent that the deficiency or condition
9 of ineligibility was not cured. The Deficiency Notice also advised Claimants that to contest these
10 administrative determinations, they were required to submit written statements to JND requesting
11 Court review of their Claims and setting forth the basis for such requests. JND sent a total of 114
12 Deficiency Notices to Claimants who filed paper or online Claims that JND determined to be
13 defective. Attached hereto as Exhibit A is an example of a Deficiency Notice.

14 25. Claimants’ responses to Deficiency Notices were scanned into the Settlement Database
15 and associated with the corresponding Claims. The responses were then carefully reviewed and
16 evaluated by JND’s team of processors. If a Claimant’s response corrected the defect(s), JND
17 manually updated the Settlement Database to reflect the changes in the status of the Claim.

18 ***Electronic Claims***

19 26. Approximately 44.0 % of the E-Claims (*i.e.*, 3,190 of the 7,234 E-Claims) were
20 incomplete or had one or more defects or conditions of ineligibility. These 3,190 deficient E-Claims
21 were filed by a total of 28 E-Claim filers. JND informed each of these 28 E-Claim Filers of the
22 deficiencies by sending an email (“Deficiency Email”) to the email address included with the
23 respective E-Claim Filers’ Claim Form with an attached report containing detailed information
24 associated with the Claims and indicating which of those Claims within the filing were deficient and/or
25 rejected (“Deficiency Spreadsheet”). Attached hereto as Exhibit B are examples of the Deficiency
26 Email and Deficiency Spreadsheet.

27 27. The Deficiency Email sent to the email address of record provided with the Claim
28 Form:

- 1 (a) Notified the E-Claim Filer that any Claims with deficiencies not corrected
- 2 within twenty (20) days from the date of the email may be rejected;
- 3 (b) Advised the E-Claim Filer of his, her, or its right to contest the rejection of
- 4 the Claim(s) and request this Court's review of JND's administrative
- 5 determination within twenty (20) days from the date of the Deficiency Email;
- 6 and
- 7 (c) Provided instructions for how to submit corrections.

8 28. The Deficiency Spreadsheet attached to the Deficiency Email identified each of the
9 individual Claims that were found to be deficient or ineligible and the basis for that deficiency or
10 condition of ineligibility.

11 29. The E-Claim Filers' responses were reviewed, scanned and/or loaded into JND's
12 database, and associated with the corresponding Electronic Claims. If a response corrected the
13 defect(s) or affected an Electronic Claim's status, JND manually and/or programmatically updated the
14 database to reflect such change in status of the Electronic Claim.

15 ***Outreach Campaign to Claimants Who Did Not Cure Deficiencies***

16 30. JND also called Claimants with still-deficient Claims to provide them with a final
17 opportunity to cure the deficiencies in their Claims. JND typically contacted the Claimants with still-
18 deficient Claims prior to their deficiency response deadline to remind the Claimants/filers of their need
19 to respond.

20 31. During this calling campaign, when a JND agent spoke with a Claimant, he or she
21 explained that the submitted Claim was still deficient and advised the Claimant of the steps required
22 to cure the deficiency. JND provided assistance to Claimants where possible, depending on the
23 nature of the deficiency. For example, if a Claimant needed additional supporting
24 documentation, JND explained the types of documentation that would render the Claim eligible,
25 and how the Claimant could obtain the necessary documentation. JND also provided some
26 Claimants with direct phone numbers and email addresses so that Claimants could receive
27 continued personalized attention and assistance.

28 32. If JND could not reach a Claimant to speak one-on-one, JND left a voice message,

1 when possible, requesting a return call. JND explained in the voice message that it was calling to
2 assist the Claimant in remedying outstanding deficiencies in his, her or its Claim. JND also reached
3 out to Claimants via email if a valid email address was provided in their Claim submission.

4 33. If, in response to a telephone call or email, a Claimant cured the deficiency in his, her
5 or its Claim by providing the appropriate information and/or supporting documentation, JND updated
6 the Settlement Database to reflect the change in the status of the Claim.

7 **DISPUTED CLAIMS**

8 34. Claimants were advised they had the right to contest JND's administrative
9 determination of deficiencies or ineligibility within twenty (20) days from the date of notification and
10 that they could request that the dispute be submitted to the Court for review. More specifically,
11 Claimants were advised in the deficiency notice that, if they disputed JND's determination, they had
12 to provide a statement of reasons indicating the grounds for contesting the determination, along with
13 supporting documentation, and if the dispute concerning the Claim could not otherwise be resolved,
14 Lead Counsel would thereafter present the request for review to the Court for a final determination.
15 Two (2) requests for court review were received but were resolved as a result of JND's explanation
16 and discussions with the Claimants. There are no disputes that require Court review.

17 **LATE BUT OTHERWISE ELIGIBLE CLAIMS**

18 35. Of the Presented Claims, 41 were received or postmarked after the December 27, 2022
19 Claim submission deadline established by the Court. JND processed all late Claims received through
20 June 20, 2023 and 19 have been found to be otherwise eligible in whole or in part (the "Late But
21 Otherwise Eligible Claims"). JND has not rejected any Claim received through June 20, 2023, solely
22 based on its late submission. It is typical, and in fact the norm for courts to accept late filed claims in
23 securities cases. Therefore, to the extent these claims are eligible, but for the fact that they were late,
24 they are recommended for payment by JND, subject to the Court's determination.

25 36. However, there must be a final cut-off date after which no more Claims will be
26 accepted so that there may be a proportional allocation of the Net Settlement Fund and the distribution
27 may be accomplished. Acceptance of additional Claims or responses to notices of deficiency received
28 during the finalization of the administration and the preparation of this application would necessarily

1 require a delay in the distribution. Accordingly, JND respectfully requests that this Court order that
 2 no Claim received after June 20, 2023, be eligible for payment for any reason whatsoever. Lead
 3 Counsel approves of this Claim cut-off date.

4 **QUALITY ASSURANCE**

5 37. An integral part of the claim's administration process is the Quality Assurance review.
 6 Throughout the administration process, JND's Quality Assurance personnel worked to verify that
 7 Claims were processed properly by ensuring that information was entered correctly into the database,
 8 deficiency and/or rejection message codes were assigned accurately, and deficiency and/or rejection
 9 notification letters were sent appropriately. After all Claims were processed, deficiency and/or
 10 rejection letters were mailed, and Claimants' responses to the deficiency and/or rejection letters were
 11 reviewed and processed, JND's Quality Assurance personnel performed additional Quality Assurance
 12 reviews. These final Quality Assurance reviews further ensured the correctness and completeness of
 13 all Claims processed prior to preparing this declaration and all JND's final documents in support of
 14 distribution of the Net Settlement Fund. As part of the Quality Assurance reviews, JND:

- 15 (a) Verified that all Claim Forms had signatures of authorized individuals;
- 16 (b) Verified that true duplicate Claims were identified, verified, and rejected;
- 17 (c) Verified that persons and entities excluded from the Class did not file Claims
- 18 or their Claims were rejected upon review;
- 19 (d) Performed a final Quality Assurance audit of Claims and all supporting
- 20 documentation to ensure completeness of Claims;
- 21 (e) Performed an audit of deficient Claims;
- 22 (f) Performed additional review of Claims with high Recognized Claim
- 23 amounts;
- 24 (g) Audited Claims that were designated invalid;
- 25 (h) Audited Claims with a Recognized Claim amount equal to zero;
- 26 (i) Performed other auditing based on Claims completion requirements and the
- 27 approved calculation specifications based on the Court-approved Plan of
- 28 Allocation; and

1 (j) Re-tested the accuracy of the Recognized Claim amount calculation program.

2 38. In support of the work described above, JND's computer staff designed and
3 implemented, and the project team tested, the following programs for this administration: (a) data
4 entry screens that store Claim information (including all transactional data included on each Claim)
5 and attach messages and, where necessary, text to denote conditions existing within the Claim; (b)
6 programs to load and analyze transactional data submitted electronically for all Electronic Claims; (c)
7 a program to compare the claimed transaction prices against the reported market prices to confirm
8 that the claimed transactions were within an acceptable range of the reported market prices; (d)
9 a calculation program to analyze the transactional data for all Claims, and calculate each
10 Claimant's Recognized Claim based on the Court-approved Plan of Allocation; and (e) programs
11 to generate various reports throughout and at the conclusion of the administration, including lists
12 of all eligible and ineligible Claims.

13 39. JND also used a variety of fraud protection controls throughout the administration
14 process to identify potential fraudulent Claims. Duplicate Claim searches, high value reviews, spot
15 reviews and other standard audit reports that examined the information in a variety of ways were used
16 during the Claim review process.

17 40. As part of its due diligence in processing the Claims, JND reviewed and compared the
18 entire settlement database against a "watch list" of known questionable filers that JND has developed
19 throughout its years of experiences as a Claim Administrator. JND has worked closely with law
20 enforcement to update that watch list with the latest information available. JND performs searches
21 based on names, aliases, addresses, and city/zip codes. In addition, JND's claim processors are trained
22 to identify any potentially inauthentic documentation when processing claims, including claims
23 submitted by Claimants not previously captured on the "watch list." Processors are instructed to
24 message code any claim that matches to a record on the "watch list" and escalate them to management
25 for review. JND's Fraud Protection procedures did not identify any potentially fraudulent Claim
26 which was subject to further review and verification.

1 **RECOMMENDATIONS FOR APPROVAL AND REJECTION**

2 41. As noted above, we received a total of 7,517 Claims.

3 ***Timely Submitted and Valid Claims***

4 42. A total of 7,476 Claims were received or postmarked on or before the Court-approved
5 Claim submission deadline of December 27, 2022, of which 4,272 were determined by JND to be
6 eligible and are recommended for approval (“Timely Eligible Claims”). The total Recognized Claim
7 amount for these Claims is \$74,896,439.02. A list with the timely Eligible Claims showing each
8 Claimant’s Recognized Claim is attached hereto as Exhibit C.

9 ***Late But Otherwise Eligible Claims***

10 43. A total of 41 Claims were received or postmarked after the Court-approved Claim
11 submission deadline of December 27, 2022, but received on or before June 20, 2023. Of those, 19
12 were determined by JND to be otherwise eligible and are recommended for approval (“Late But
13 Otherwise Eligible Claims”). The total Recognized Claim amount for these Claims is \$11,535,254.88.
14 A list with the Late But Otherwise Eligible Claims showing each Claimant’s Recognized Claim is
15 attached hereto as Exhibit D.

16 ***Rejected Claims***

17 44. After the responses to notices of deficiencies were processed, a total of 3,226 Claims
18 remain recommended for rejection by the Court (“Rejected Claims”) for the following reasons:

- 19 (a) 771 Claims Did Not Result in a Recognized Claim;
20 (b) 2,008 Claims Did Not Fit the Definition of the Class;
21 (c) 430 Deficient Claims Never Cured;
22 (d) 12 Duplicate Claims; and
23 (e) 5 Claims Withdrawn.

24 45. A list of the Rejected Claims with the reasons for rejection is attached hereto as Exhibit
25 E.

1 **FEES AND DISBURSEMENTS**

2 46. JND agreed to be the Claims Administrator in exchange for payment of its fees and
 3 out-of-pocket expenses. Nevertheless, JND has done its best to keep costs as low as possible. JND's
 4 total fees and expenses for this matter through May 2023 are \$251,105.42. See Exhibit F (copies of
 5 all JND invoices for this matter). In addition, the brokerage firms and nominees charged JND
 6 \$14,704.16 for their work related to this matter. To date, JND has been reimbursed the amount of
 7 \$150,163.87. JND respectfully requests payment of \$140,671.78 from the Settlement Fund,
 8 consisting of \$115,645.71 in fees and expenses already incurred, and \$21,424.82 in anticipation of the
 9 fees and expenses that will be incurred in making the initial distribution and \$3,601.25 for the work
 10 performed in June 2023 that has not yet been invoiced. If the anticipated fees and expenses to conduct
 11 the initial distribution is greater than the actual cost to conduct the distribution, the excess will be
 12 returned to the Net Settlement Fund.

13 **DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND**

14 47. Should the Court concur with JND's determinations concerning the provisionally
 15 accepted and rejected Claims, including the Late But Otherwise Eligible Claims, JND recommends
 16 the following distribution plan (the "Distribution Plan"):

17 (a) JND will conduct an initial distribution (the "Initial Distribution") of the Net
 18 Settlement Fund, after deducting all payments approved by the Court, and
 19 after payment of any estimated taxes, the costs of preparing appropriate tax
 20 returns, and any escrow fees, as follows:

21 (i) JND will calculate award amounts for all Authorized Claimants
 22 as if the entire Net Settlement Fund were to be distributed now.
 23 In accordance with the Court-approved Plan of Allocation, JND
 24 will calculate each Authorized Claimant's *pro rata* share of the
 25
 26
 27
 28

Net Settlement Fund in accordance with the Court-approved Plan of Allocation.

(ii) JND will, pursuant to the terms of the Plan of Allocation, eliminate from the Initial Distribution any Authorized Claimant whose *pro rata* share calculates to less than \$10.00.

(iii) After eliminating claimants who would receive less than \$10.00, JND will recalculate the *pro rata* distribution payments for Authorized Claimants who would receive \$10.00 or more.

(iv) JND will then conduct the Initial Distribution of the Net Settlement Fund in accordance with the Court's order.

(b) In order to encourage Authorized Claimants to promptly deposit their payments, all distribution checks will bear a notation: "CASH PROMPTLY. VOID AND SUBJECT TO REDISTRIBUTION IF NOT CASHED BY 90 DAYS AFTER ISSUE DATE."²

(c) Authorized Claimants who do not cash their Initial Distribution checks within the time allotted or on the conditions set forth in footnote 2 will irrevocably

² For Authorized Claimants whose checks are returned as undeliverable, JND will endeavor to locate new addresses by running the undeliverable addresses through address-lookup services. Where a new address is located, JND will update the database accordingly and reissue a distribution check to the Authorized Claimant at the new address. In the event an Authorized Claimant loses or damages his, her, or its check, or otherwise requires a new check, JND will issue replacements. Distribution reissues will be undertaken only upon written instructions from the Authorized Claimant, provided that the Authorized Claimant returns the previous check where appropriate. For all checks, JND will void the initial payment prior to reissuing a payment. In order not to delay further distributions to Authorized Claimants who have timely cashed their checks, JND's outreach program, described in the preceding sentences, shall end 30 days after the initial void date. Authorized Claimants will be informed that, if they do not cash their Initial Distribution checks within 90 days of the mail date, or they do not cash reissued checks within 30 days of the mailing of such reissued check, their check will lapse, their entitlement to recovery will be irrevocably forfeited, and the funds will be reallocated to other Authorized Claimants. Reissue requests for lost or damaged checks will be granted after the void date on the checks as long as the request for the reissue is received no later than 45 days prior to the next planned distribution. Requests for reissued checks in connection with any subsequent distributions (should such distributions occur) will be handled in the same manner.

1 forfeit all recovery from the Settlement. The funds allocated to all such stale-
2 dated checks will be available to be redistributed to other Authorized
3 Claimants, if Lead Counsel, in consultation with JND, determine that it is
4 cost-effective to conduct a second distribution. Similarly, Authorized
5 Claimants who do not cash their second or subsequent distribution checks
6 (should such distributions occur) within the time allotted, or on the conditions
7 set forth in footnote 2, will irrevocably forfeit any further recovery from the
8 Net Settlement Fund.

9 (d) Consistent with the Court-approved Plan of Allocation, after JND has made
10 reasonable and diligent efforts to have Authorized Claimants cash their Initial
11 Distribution checks, which efforts shall consist of the follow-up efforts
12 described in footnote 2, but not earlier than nine (9) months after the Initial
13 Distribution, JND will, if Lead Counsel, in consultation with JND, determine
14 that it is cost-effective to do so, conduct a second distribution of the Net
15 Settlement Fund (the “Second Distribution”). Any amounts remaining in the
16 Net Settlement Fund after the Initial Distribution (the funds for all void stale-
17 dated checks), after paying any amounts mistakenly omitted from the initial
18 disbursement (if any), after deducting JND’s fees and expenses incurred in
19 connection with administering the Settlement for which it has not yet been
20 paid (including JND’s estimated costs of the Second Distribution), and after
21 deducting the payment of any estimated taxes, the costs of preparing
22 appropriate tax returns, and any escrow fees, will be distributed to all
23 Authorized Claimants in the Initial Distribution who cashed their first
24 distribution check and who would receive at least \$10.00 from such
25 distribution based on their *pro rata* share of the remaining funds. Additional
26 distributions, after deduction of costs and expenses as described above and
27 subject to the same conditions, may occur until Lead Counsel, in consultation
28 with JND, determine that further distribution is not cost-effective.

- 1 (e) At such time as Lead Counsel, in consultation with JND, determines that
2 further distribution of the funds remaining in the Net Settlement Fund is not
3 cost-effective, the remaining balance of the Net Settlement Fund, after
4 payment of any unpaid fees or expenses incurred in connection with
5 administering the Net Settlement Fund and after the payment of any
6 estimated taxes, the costs of preparing appropriate tax returns, and any
7 escrow fees, will be contributed, subject to the Court's approval, to Public
8 Justice, a non-sectarian, not-for-profit organization.
- 9 (f) No new Claims may be accepted after June 20, 2023, and no further
10 adjustments to Claims received on or before June 20, 2023, may be made for
11 any reason after June 20, 2023.
- 12 (g) Unless otherwise ordered by the Court, one year after the Second
13 Distribution, if that occurs, or, if there is no Second Distribution, two years
14 after the Initial Distribution, JND may destroy the paper copies of the Claims
15 and all supporting documentation, and one year after all funds have been
16 distributed, JND may destroy electronic copies of the same.

17 **CONCLUSION**

18 48. JND respectfully requests that the Court enter an Order approving its administrative
19 determinations accepting and rejecting the Claims submitted in the Action and approving the proposed
20 Distribution Plan. JND further respectfully submits that its fees and expenses, as reflected on the
21 invoices attached hereto as Exhibit F, should be approved for payment from the Settlement Fund.

22 I declare under penalty of perjury under the laws of the United States of America that the
23 foregoing is true and correct.

	TRANSACTION(S) IS/ARE OUTSIDE CLASS PERIOD	The purchase Transaction(s) set forth did not occur during the Class Period. Unless the date(s) originally submitted are incorrect, then the transaction(s) will not be included in your Claim.
	TRANSACTION(S) IS/ARE TRANSFER(S) OUT	The Claim referenced contains one or more transactions that were presented or identified as a transfer out of your account (also called a "free delivery") during the Class Period. The data submitted, however, does not reflect the date and means of final disposition of the shares.
	MISSING TRANSACTION INFORMATION	The information as entered on your Claim Form did not include all details for the transaction(s) that will be needed to calculate your claim.

How to Fix

In order for the Claim to be properly calculated, you must submit revised data that provides information regarding the original purchase/acquisition of the shares in the noted transactions before they were transferred into the account. Specifically, you must submit, with respect to each transaction, revised data that reflects the date on which the shares in each transaction were purchased/acquired.

Please review your data to confirm the price of the transaction. If the data is correct, provide adequate supporting documentation substantiating the price and/or net amount. Please note that the transactions must have occurred on a US exchange.

Please review your data to confirm the net amount of the transaction. If the data is correct, provide adequate supporting documentation substantiating net amount. Please note that the transactions must have occurred on a US exchange.

You can only resolve this deficiency by submitting documentation supporting purchases of Yelp common stock during the Class Period.

Please Note: If you have purchase transactions of Yelp common stock during this period, you must also provide this and all other information and supporting documentation called for in the Proof of Claim and Release Form with respect to your holdings of and transactions in Yelp common stock.

In order to include the shares in the calculation of the Claim, you must submit revised data demonstrating the final sale of those shares subsequent to the transfer out of the account occurred during the period of February 10, 2017 through August 7, 2017, both dates inclusive, or held as of close of trading on August 7, 2017. Specifically, if the shares identified below as a "Transfer Out" were ultimately sold during the period of February 10, 2017 through August 7, 2017, both dates inclusive, you must submit, with respect to each transaction, revised data that reflects the date of the final sale of the shares.

You can resolve this deficiency by submitting revised data which must include the purchase/sale date, the number of shares purchased/sold, and the price paid/received per share.

16 YELP, INC., JEREMY STOPPELMAN,
17 LANNY BAKER, and JED NACHMAN,

18 Defendants.

Case No.: 3:18-cv-00400-EMC

**DECLARATION OF F. PAUL BLAND,
JR. OF PUBLIC JUSTICE
FOUNDATION**

1 I, F. Paul Bland, Jr., declare as follows:

2 1. I am Executive Director of the Public Justice Foundation (“Public Justice”). I have
3 personal knowledge of the matters stated herein and, if called upon, I could and would competently
4 testify thereto.

5 2. Public Justice is a nationwide, non-sectarian, not-for-profit 501(c)(3) organization
6 that was founded in January 1982. Through policy education initiatives and litigation, Public Justice
7 seeks to advance the rights of, among many others, consumers, investors, workers, and students,
8 and to provide and improve access to the legal system.

9 **Efforts on Behalf of Investors**

10 3. Leveraging *cy pres* and other resources, Public Justice has been proud to advocate
11 for investors who have been allegedly deceived by materially false and misleading statements about
12 a stock issuer.

13 4. For instance, in recent years, Public Justice has identified various efforts to block
14 cases alleging violations of federal and state securities laws for investors through such devices as
15 “loser pays rules” and bans on class actions in initial public offerings and corporate bylaws. We
16 have been active in advocating for the ability of shareholders to pursue their claims, and not to be
17 barred or deterred from doing so.

18 5. Along with the Consumer Federation of America and other allies, Public Justice is a
19 leader in the Secure Our Savings coalition, a collection of more than 40 organizations (including
20 consumer advocacy organizations, unions, religious groups, and investor advocacy groups), that are
21 speaking out strongly on behalf of investors and against forced arbitration of shareholder claims.
22 For particular pieces of advocacy, we also often enlist powerful allies such as the American Legion.
23 The coalition has served as a resource for reporters, policy makers and the public. The coalition has
24 also engaged in advocacy, such as sending letters to the S.E.C. and Members of Congress speaking
25 out against terms that would bar or deter investors from pursuing claims under the federal and state
26 securities laws. Several of these letters led to both the S.E.C. announcing some changes in policy,
27 and to several members of Congress contacting the S.E.C. to urge it to do more to protect private
28 lawsuits enforcing the securities laws.

6. Public Justice also provides valuable information to investors, consumers, and others through publications, information clearinghouses, and participation in educational seminars. We have invested in our communications capacity to produce high-quality coverage and built strong relationships with key media contacts.

7. As proposals to limit cases brought by investors under the federal and states securities laws have gained prominence in recent years, Public Justice attorneys have presented at educational programs for both investors and attorneys who represent them. Over the past several years, I have personally appeared at more than two dozen continuing legal education programs, including programs of the Institute for Law and Economic Policy, a public policy research and educational foundation whose mission is to preserve, study and enhance investor and consumer access to the civil justice system. I have also appeared at several programs of the National Association of Shareholder and Consumer Attorneys (NASCAT) to address threats to securities lawsuits. In addition, Public Justice attorneys have spoken to, written for, and appeared at several events and programs for audiences of institutional investors about threats to private enforcement of the securities laws.

8. In addition, Public Justice staff have been honored to write articles addressing threats to cases under the federal and state securities laws (*e.g.*, “When is a Contract Not a Contract? Snow Shoveling, Unilateral Amendment, and Delaware’s ATP Decision,” by Paul Bland and Karla Gilbride, Spring 2015). Somewhat differently, we have also published blog posts (such as <http://www.publicjustice.net/schwab-prefers-no-regulation/> and <http://www.publicjustice.net/contentbrief-argues-finra-not-preempted-brokerage-firms-cannot-ban-class-actions/>). We have also co-authored articles with people such as John Chiang, the former State Treasurer of California (*e.g.*, “SEC must not silence voice of Wells Fargo investors,” *San Francisco Chronicle*, April 22, 2018).

Public Justice Participation in Amicus Briefs in Securities Cases

9. Public Justice has also filed amicus briefs in support of investors in several key cases in recent years. Some illustrations of this work include:

1 A. *Erica P. John Fund, Inc. v. Halliburton Co.* (U.S. Supreme Court). Public Justice joined
 2 in an amicus brief arguing for the preservation of long-standing U.S. Supreme Court
 3 precedent supporting investors' ability to argue for class action treatment of securities
 4 claims based upon a presumption that markets operate efficiently.

5 B. *In the Matter of Department of Enforcement Complainant v. Charles Schwab & Co. Inc.*
 6 (FINRA National Adjudicatory Council, No. 2011029760201). Public Justice
 7 submitted, with AARP and the National Consumer Law Center, an *amici curiae* brief
 8 challenging Schwab's position that the Federal Arbitration Act (FAA) preempts FINRA
 9 rules, and therefore allows brokerage houses to amend its investor contracts to ban class
 10 actions by shareholders bringing securities-related claims.

11 C. *Amgen, Inc. v. Connecticut Retirement Plans and Trust Funds* (U.S. Supreme Court, No.
 12 11-1085). Public Justice submitted an *amici curiae* brief in support of investors who
 13 were allegedly defrauded by pharmaceutical giant Amgen, a leading manufacturer of
 14 drugs. The case involved a challenge to the district court certification for class action
 15 treatment of a securities action against Amgen alleging that the company knowingly or
 16 recklessly made materially misleading statements and omissions concerning two of
 17 Amgen's flagship products; we refuted Amgen's arguments that securities lawsuits
 18 unfairly target the pharmaceutical industry with frivolous litigation.

19 D. *Roberts v. Triquint Semiconductor, Inc.* (Supreme Court of the State of Oregon, No.
 20 S062642). In this case, the defendant sought to force the adoption of a new forum
 21 selection by-law without the vote of the corporation's stockholders, effectively
 22 eliminating shareholders' ability to bring the defendant to court for any wrongdoing.
 23 Public Justice joined an *amici curiae* brief that argued, among other things, that such
 24 anti-investor by-law changes should not be permissible where individuals have not
 25 agreed to them.

26 10. Public Justice has also filed a host of amicus briefs in federal and state appellate
 27 courts on other issues relating to the civil justice system in cases that did not involve securities
 28 claims.
